We are looking for caring, dedicated individuals to join our team;

Job Title: Ophthalmic Clinical Officer-Cataract Surgeon

Location: Kisii & Webuye

Overall Responsibility

The Ophthalmic Clinical Officer will provide specialized ophthalmic care, including diagnosis, treatment, and management of eye conditions.

Key Responsibilities:

1. Conduct comprehensive eye examinations to assess and diagnose eye conditions and diseases such as glaucoma, cataracts, refractive errors, and other visual impairments.
2. Take detailed patient histories to understand the nature of their vision problems and medical backgrounds.
3. Prescribe glasses or contact lenses where necessary and advise on the proper usage of visual aids.
4. Perform cataract surgeries and refer complicated cases appropriately.
5. Carry out corrective eye surgeries
6. Administer medications for common eye infections, inflammations, and other eye-related conditions.
7. Provide guidance on post-procedure care and follow-up treatment.
8. Maintain accurate and detailed patient records, including diagnosis, treatment plans, and follow-up care.
9. Participate in community eye health programs and campaigns to raise awareness of eye care, prevent blindness, and promote early detection of eye conditions.
10. Conduct eye screenings in schools, communities, and workplace settings as part of preventive eye care.

Job Qualifications & Skills

1. Degree or Diploma in Clinical Medicine and Surgery
2. Higher Diploma in Clinical Medicine- Ophthalmology/ Cataract surgery from a recognized Institution
3. Valid Practicing License from the Clinical Officers' Council.
4. At least two years of working experience as a Clinical Officer

Application Instructions

1. Interested candidates to email their cover letter and detailed curriculum vitae **ONLY**; including names and contacts of three references, to hr@oasishealthconsulting.com on or before **7th October 2024**.
2. The email subject line **MUST** include the job title being applied for e.g., "MEDICAL ONCOLOGIST"
