Job Title: Clinical Officer-ENT (Ear, Nose, and Throat)

Location: Siaya, Webuye & Nyamira

Overall Responsibility

The Clinical Officer – ENT is responsible for diagnosing and treating patients with ear, nose, and throat disorders. The officer will perform consultations, examinations, and minor surgical procedures, while ensuring the highest standards of care.

Key Responsibilities:

1. Conduct thorough consultations for patients presenting with ENT-related symptoms.
2. Perform detailed examinations of the ear, nose, and throat using specialized diagnostic tools.
3. Diagnose and treat acute and chronic ENT conditions, including infections, inflammations, and other disorders.
4. Develop and implement appropriate treatment plans based on clinical findings.
5. Provide education to patients and families on disease prevention, treatment options, and post-treatment care.
6. Manage minor ENT surgeries e.g., ear cleaning, nasal polypectomy, etc.
7. Refer patients to specialists for advanced surgical care or further diagnostic evaluation as necessary.
8. Participate in public health awareness campaigns and outreach programs, focusing on ear, nose, and throat health.
9. Maintain accurate and up-to-date medical records, including patient histories, diagnoses, treatment plans, and follow-up care.
10. Keep up to date with developments in ENT care through research, professional networking, and attending relevant training and workshops.

Job Qualifications & Skills
