We seek qualified and dedicated candidates to fill the following open positions;

Job Title: Consultant Family Physician

Location: Kakamega

Overall Responsibility

The Family physician will provide a comprehensive range of primary care services to patients of all ages. He /she shall perform initial evaluations, evaluate test results, diagnose conditions, and make referrals to specialists as necessary.

Key Responsibilities:

1. Provide high-quality, patient-centered medical care, including diagnosis, treatment, and follow-up for a variety of health conditions.
2. Promote and provide preventive care services, including screenings, and lifestyle counseling to improve overall patient health.
3. Manage chronic diseases such as diabetes, hypertension, and asthma, coordinating care with specialists as needed.
4. Educate patients and their families about health conditions, preventive measures, and treatment plans.
5. Maintain accurate and up-to-date patient medical records, ensuring confidentiality and compliance with regulations.
6. Work collaboratively with other healthcare professionals, including nurses, specialists, and administrative staff, to provide integrated patient care.
7. Participate in quality improvement initiatives to enhance patient outcomes and service delivery.
8. Engage in community health initiatives and promote health education within the community.
9. Participate in interdisciplinary team meetings, case conferences, and hospital committees.

Job Qualifications & Skills

1. MBCHB from a recognized institution.
2. MMed (Family Medicine) from a recognized institution.
3. Registration with the Kenya Medical Practitioners and Dentists Council.
4. Valid Practice License
5. Professional Insurance Indemnity Cover.

What we Offer

1. A competitive salary based on qualification and experience.
2. Professional development opportunities and support for continuous education.
3. A collaborative and supportive work environment.
