

Oasis Healthcare Management Consultancy Limited is a premier consultancy organisation specializing in hospital and healthcare management. Oasis brings decades of collective experience and expertise to the forefront of healthcare consultancy.

We seek qualified and dedicated candidates to fill the following open positions;

**Job Title: Clinical Officer-Oncology**

**Location: Kakamega**

**Overall Responsibility**

The Clinical Officer Oncology will assist in diagnosing, planning, and administering cancer treatments while closely monitoring patient progress.

**Key Responsibilities:**

1. Conduct detailed medical histories and physical exams focused on oncology cases.
2. Assist in diagnostic procedures, including biopsies and imaging studies, in collaboration with the Medical Oncologist.
3. Stage cancer and develop initial assessments to aid in treatment planning.
4. Administer chemotherapy, immunotherapy, and other oncology-related treatments under protocols and supervision.
5. Monitor treatment responses, side effects, and adjust treatment regimens where necessary, in consultation with the Medical Oncologist.
6. Offer comprehensive education to patients and their families regarding cancer, treatment options, and what to expect during the treatment process.
7. Guide patients through coping mechanisms and psychosocial support to help manage emotional stress related to cancer diagnosis and treatment.
8. Develop and implement individualized care plans, ensuring timely follow-ups, lab tests, and imaging to track patient progress.
9. Coordinate referrals for specialized care or advanced diagnostic tests as required.
10. Collaborate with the multidisciplinary team, including nurses, pharmacists, palliative care teams, surgeons, Oncologists and radiologists, to optimize patient care.
11. Assist in the management of patients receiving palliative care, focusing on improving quality of life through symptom control.

12. Participate in public health awareness campaigns and outreach programs to sensitize communities on cancer related issues.
13. Support research initiatives and clinical trials related to cancer treatments.

### **Qualifications**

1. Degree or Diploma in Clinical Medicine and Surgery
2. Higher National Diploma in Clinical Oncology and Palliative Care
3. Valid Professional Practicing License from the Clinical Officers' Council

### **Application Instructions**

1. Interested candidates to email their cover letter and detailed curriculum vitae **ONLY**; including names and contacts of three references, to [hr@oasishealthconsulting.com](mailto:hr@oasishealthconsulting.com) on or before **15<sup>th</sup> June 2024**.
2. The email subject line **MUST** include the job title being applied for e.g., "ONCOLOGY COORDINATOR"
3. Canvassing of any nature will lead to automatic disqualification.
